THE RUG DEPARTMENT

at rear of first floor is a pleasant place.

You can see most any sort of Rug or Carpet you may have in mind.

Whether you want American designs or Oriental patterns, they are here at a quality we guarantee and at a lower price than is generally charged.

A neat Rug in brown or unusual tan, or green or red will brighten your den or living room or dining room and make it cheerful.

Tapestry Rugs, Body Brussels, Velvets, Axminsters, Wiltons; 27 in. by 54 in., 36 in. by 63 in., 6 ft. by 9; 8.3 ft. by 10.6, 9 ft. by 12—any size for any room. Prices \$1.25 up to \$50.

Carpets are here in a large variety of patterns and colorings. A carpet is absolutely necessary on some floors and you want a carpet that is neat, attractive and full of "wear." We sell that kind.

Ingrains, Body Brussels, Velvets, Tapestry—35c to \$1.75 per yard

Linoleums are better than carpets in the kitchen, and a good Linoleum will last a long time.

Linoleum is made of oil and cork, and on the proper mixing of these ingredients, depends the life of the flooring. You can buy so-called linoleums for almost nothing. That kind is made merely by covering indifferent coarse cloth with a sort of paint which looks pretty when you put it upon the floor.

We guarantee the linoleum we sell and we should like to tell you more about the structure of it, which makes it more valuable than its price.
